

You're invited to continue the Expo Conversation With Us at the World Food Prize

The Council for Agricultural Science and Technology's
The 2015Borlaug CAST Communication Award Presentation

~ ~ ~

Keynote presentation by Dr. Channapatna S. Prakash Everything I Know About GMOs, I Learned on Social Media

Panel discussion: "Answering the Challenge of Expo Milano 2015: Feeding the Planet, Energy for Life" hosted in conjunction with the International Food Information Council (IFIC) Foundation

October 14, 2015 – 7-10 am Marriott Hotel – Des Moines Iowa

RSVP:

http://www.cast-science.org/borlaug cast communication award/

Launch of Bringing Biotechnology to Life: An Educational Resource for Grades 7–10

Created jointly by the American Farm Bureau Foundation for Agriculture and the IFIC Foundation

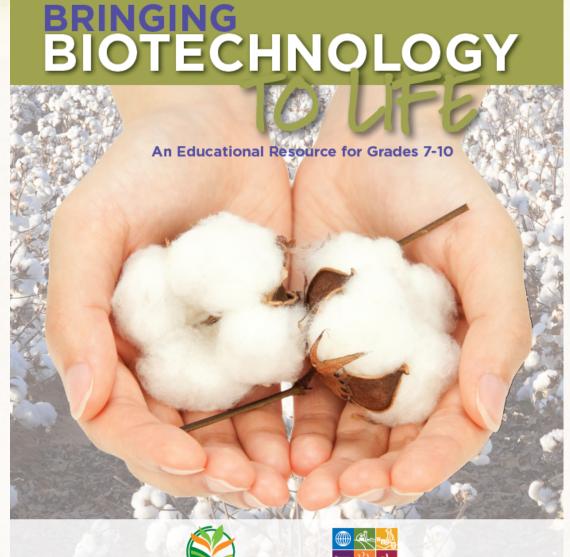

- Julie Tesch, Executive Director, American Farm Bureau Foundation for Agriculture
- Kimberly Reed,

n Council Foundation

Brought to you by the American Farm Bureau Foundation® for Agriculture www.agfoundation.org in partnership with the International Food Information Council Foundation www.foodinsight.org.

Guiding questions include:

- What is DNA?
- How can we examine DNA?
- What is selective breeding?
- What is biotechnology?
- How is biotechnology used?
- How do researchers compare DNA?
- Where would we be without "GMO's"?

- Designed for science educators & others interested in learning about biotechnology.
- Addresses national learning standards for grades 7-10.
 - Unit culminates with a research project & public presentation by the student.

Available as a free download at www.agfoundation.org and www.foodinsight.org

Thank you!
